Other areas include 'Student Tailgate', 'Gordon Tailgate', 'Track Complex', 'Hudd Field', 'Sprinting Field', 'RV/Bus Parking', 'Staff', 'South Stadium Loop', 'Dallas Mall', and 'University Dr.'.

All parking passes are subject to one per four tickets (comp or purchased). Script U members may purchase additional season passes for \$60 each.

In the event of inclement weather, UMass Athletics reserves the right to relocate your parking to an alternate lot.

Parking is allocated by Script U Scholarship Society level with priority given to current donors. Current donors will be able to renew their parking pass in their current lot if they maintain the minimum required Script U Society Scholarship level. For new parking requests, meeting the minimum required donor level does not guarantee eligibility for 2026-27 as lot inventory can fluctuate based on demand and individual giving.
