All parking passes are subject to one per four tickets (comp or purchased). Script U members may purchase additional season passes for \$100 each per-sport.

Parking is allocated by Script U Scholarship Society level with priority given to current donors. Current donors will be able to renew their parking pass in their current lot if they maintain the minimum required Script U Society Scholarship level. For new parking requests, meeting the minimum required donor level does not guarantee eligibility for 2026-27 as lot inventory can fluctuate based on demand and individual giving.
